Mrs. Ganske FUNERAL

Funeral services were held from All Saints Anglican Church on Sunday, November 24, for the late Helen Frances Ganske, wife of Mr. Otto Ganske, of Violet Grove.

The Reverend Russell Brown conducted the service. Pall bearers were Messrs. John MacKenzie, Leslie Tucker, Leslie Hendon, Henry Deby, Andrew Johnson and Otto Gulse. Burialment was in Drayton Valley cemetery.

Mrs. Ganske is one of Drayton Valley's old timers, having lived forty six of her forty nine years in this and adjoining district.

Born in Larimer, Wyoming, in 1911, the third child of Mr. and Mrs. Peter Anderson, Mrs. Ganske came to Canada with her family in 1912 and to Drayton Valley in 1914.

In 1930 she married Otto Ganske of Tomahawk, and the couple farmed there for some time.

In 1937 the Ganskes bought an acre of land from the late Richard Davis, next to the community hall, and built the store now known as Block's.

After the war the Ganskes again turned to farming, sold their business in Drayton Valley, and moved west to Violet Grove.

Mrs. Ganske is survived by her

husband on page 11 Col. 3

BUILDING PERMITS

With a further total of \$81,650, in building permits issued by the Town of Drayton Valley since the end of October, to November 15th, Drayton Valley continued to grow at an remarkable rate. With the addition of the building permits issued for the first two weeks of November, listed below, total building permit evaluations since the first of this year are a little over one and one quarter million dollars, for an actual total of \$1,254,157.00. On a per capita basis this is by far and wide the highest building permit total for any town of similar size in Alberta, and in all probability in the entire country.

The Town census, taken the middle of January this year, showed some 3,251 inhabitants within the townsite area. Undoubtedly that number would now be at least 4,000 and perhaps a little over.

LAINCHURRY FUNERAL

Death claimed another Drayton Valley old timer in the person of Mr. Alford Edward Lainchbury on Sunday, November 27th. Mr. Lainchbury was found dead at the Ed, Erickson place where he had been looking after things for a time for Mr. Erickson who was up in the Coal Branch. Mr. Lainchbury had lived with his family in Drayton Valley for the past twenty-one years. He was sixty-four at the time of his death, passing away just a few days before his sixty-fifth birthday.

He was born in Perth County, Ont. and came to Alberta when a boy his folks settling on a farm in the Westabwin district. He went through the First World War in the army and after he returned to Canada he farmed in a district south of Hughenden, until moving to Drayton Valley in 1939.

He is survived by his loving wife Mrs. Frances Mary Lainchbury, three sons, Elvin Edward of Wide Water, Alberta; James Albert, and Walter Allan, both of Drayton Valley.

Five daughters, Mrs. Robert (Dorothy) Johnson, Mrs. Leslie (Dorothy) Tucker, Mrs. Andrew (Thelma) Johnson, Mrs. Alicia (Margaret) Goughier, all of Drayton Valley and Mrs. Don (Iona) Bennett, of New Westminster.

Cont' on page 10 Col. 2

WILLIAM S. BURNS, D.C.

Dr. William Stephen Burns, is a comparative newcomer to Drayton Valley but he has been here long enough to know that he likes the town and when his wife and small son, Chuck, arrive here from Edmonton in a couple of weeks they expect to settle down and become a part of the community life.

Dr. Burns was born in Edmonton arriving there on Boxing Day, 1905. His father is in the real estate and insurance business in Edmonton. Young Burns went to East Wood High School in Edmonton, where he was president of the graduating class, and social convener. He picked up three letters, in football, basketball, and hockey. While in the Palmer School he won a Student Council General Presidency award. Dr. Burns graduated in the fall of 1927 and established a practice in Edmonton.

Cont' on page 10 Col. 1

District Personalities

Photo by Cur's Studio

ethal and track and field. After graduating for six or seven years he had a number of jobs, including working as a trainman on the railroad, as men's clothing salesman, life insurance salesman, stenographer, and typewriter repairman. In 1931 he was managing director of the Boys and Girls Fair under the auspices of the Y.M.C.A.

In 1934 he went down to Davenport, Iowa, to the Palmer School of Chiropractic, the first chiropractic school to be established in America. At the school he took the course leading to the Doctor of Chiropractic degree. He worked while attending school in Davenport. While in the Palmer School he won a Student Council General Presidency award. Dr. Burns graduated in the fall of 1937 and established a practice in Edmonton.

Cont' on page 10 Col. 1

Al Miles Heads Municipal Police

STONY PLAIN--Annual meeting of the Association of Alberta Municipal Police (Northern) was held here recently with about 20 police representatives present. Feature of the meeting was the election of officers.

Al Miles, of Drayton Valley, was chosen president, he being re-elected. Other officers are: first vice-president, Thomas Yalowsky, of Stony Plain; second vice-president, Roger Horvath, Fort Saskatchewan; Mayor Horvath, Fort Saskatchewan;

and secretary-manager, Donald Towers, Rocky Mountain House who was also re-elected. Representatives came from Devon, Leduc, Wetaskiwin, Ponoka, Lac La Poudre, Drayton Valley.

MUNICIPAL POLICE -- Executive Officers of the Association of Alberta Municipal Police (Northern) were elected at a recent meeting held in Stony Plain. Left to right are: second vice-president, Roger Horvath, Fort Saskatchewan; first vice-president, Thomas Yalowsky, Stony Plain; president, Al Miles, Drayton Valley; re-elected, and secretary-manager, Donald Towers, Rocky Mountain House, re-elected.

needed the association's help good work it is doing. Members of Stony Plain council and delegates were all present at a banquet. Donaghy was enjoyed later in the evening, including a Chinese food supper at midnight.

In a short address, Secretary-Manager Towers of Rocky Mountain House stated that a number of convictions under the new act (impaired driving act) were being laid in the courts mostly due to insufficient police evidence and improper presentation.

He went on to say that those being prosecuted under the act are "fighting tooth and nail" -- knowing that, upon conviction,

they would automatically lose their license for a stated period "all of us" noted the speaker, "want the drunk driver on the road, and this is the only way to do it." He also mentioned another "brick" of the impaired driver, this being to arrest his case. Knowing that it could be several months before his case would come up in higher court, this individual would launch an appeal and have his driving privileges during the delay.

PUBLIC NOTICE

Following is an excerpt from By-law No. 13 of the Town of Drayton
Valley:

- (1) All occupants of properties fronting or abutting on any of the
sidewalks within the town shall remove and clear away all snow,
ice and dirt on any sidewalk fronting or abutting property occu-
pied by them.
- (2) If any person as aforesaid neglects or refuses to clear such
sidewalk of all snow, ice or dirt within a period of 24 hours from
the occurrence on such sidewalk of said snow, ice or dirt, the com-
mittee of the village may provide for the clearing of same and any
expenses incurred by the Town in so doing shall be recoverable by
distress against the goods and chattels of the occupant in the same
manner as if such expenses were taxes levied pursuant to this
Act and so recoverable.

All occupants of properties fronting or abutting on sidewalks are
requested to accede to the directions of the said By-law No. 13
and eliminate the necessity of billing for snow removal.

Your full co-operation in this regard is earnestly solicited.

Drayton Valley, Alberta.

WHERE DID HE GET THE PANTS?

Primitive man was so puny an animal
we might wonder how he got
the kind he wore. One theory is that
the other animals laughed themselves
to death at the sight of him.
But man had the last laugh - by
putting nature's energy to work he
became earth's most powerful
creature.

In Canada our most important
energy source is petroleum. The
reason - oil is made available
wherever it is needed, the price is
right, and product quality has been
constantly improved. Gasoline
octane, for example, is ten points
higher now than it was ten years
ago - while in the same period
the amount of Imperial revenue for a
gallon of gasoline has gone down.

IMPERIAL OIL
LIMITED
...for 80 years Canada's
leading supplier of energy

Powers - Duckett

On Saturday, November 26th,
at 5:00 p.m., St. Anthony's
Catholic Church in Drayton
Valley was the scene of a pretty
afternoon wedding when Miss
Doreen Powers, the daughter of
Mr. and Mrs. Mark Powers, of

Photo by Curt's Studio

Drayton Valley, became the
bride of Mr. Clarence Duckett,
the son of Mr. and Mrs. Ted
Luckett of Tomahawk. Rev.
Fr. Sweeney performed the wed-
ding ceremony. Mrs. Pat Shee-
han was organist.

The bride was beautifully dress-
ed in sequin and pearl embroidered
lace not over pleased nylon
dress. She wore a sequin and
pearl headpiece and shoulder
length veil. For the bouquet the
bride had chosen red roses, with
white streamers to which were
attached fern sprays and red
rose buds.

Identically dressed in blue
chiffon gowns with matching
headpiece and bouquets of
yellow and white roses, three
bridesmaids accompanied the
bride as she entered the church
on the arm of her father.
Bridesmaids were: Miss Donna
Faye Summers, Miss Mildred
Lilje and Miss Karen Delaney.
Little Debbie Redling was
flower girl for the happy event
and young Dennis Tyma a new-
pew of the groom, was
ring-bearer.

Bestmen were Mr. R. Edie Mc-
Ginn and Mr. Jim Fry, both
of Drayton Valley and Mr.
Charlie Schiedman of Toma-
hawk. Others were Mr. Chuck
Dion, and Mr. David Powers
brother of the bride.

For the reception held in the
Tomahawk Curling Rink the
bride's mother chose a green
suit with brown accessories and
a corsage of pink roses. The
groom's mother wore a pink
dress in brown suit with pink
accessories and with a pink
corsage.

GREEN ACRES

By DICK ROCKBONE

FARM RADIO FORM

A program of vital interest to all farm people is broadcast every Monday evening at 7:30 p.m., over radio station 13X, "Farm Radio Form" is a program devoted to the discussion of the important issues facing farm people to-day.

The program is of great interest to the individual listener. But perhaps greatest benefit can be obtained from it by listening with a number of your neighbors. Such a group is called a "Farm Form", and after the broadcast you can discuss the topic of the evening, come to your own conclusion, and send them to the Secretary of Farm Radio Forum. Out of such an exchange of ideas and reaching of conclusions by groups across the country, action can then be taken in solving farm problems.

What are Farm Forum programs about? Well, next Monday, November 28th, a very important program will be concerned with hog marketing. In January, a particularly interesting series will be concerned with "The Business of Farming". On January 31st, farm management will be the topic, followed January 31st by a program on farm marketing. On January 16th, national policies will be discussed. Many other subjects of considerable interest will be covered each Monday until the end of March.

Every farm family has a great deal to gain by taking part in a Farm Forum. (Continued on Page 7, Col. 5)

you can be obtained by writing to Mr. Jim McLeod, Farm Forum Secretary, 405 41st Block, Edmonton. He will provide all the materials, required and will send a "Farm Forum Guide" to each family before each broadcast.

And remember — if you cannot join or form a farm forum with perhaps 3 or 4 farm families in your area, be sure to hear the broadcast yourself. You will find them a great interest.

PALOUSE PIGS

A type of pig called the "Palouse" pig which does not appear to meet

Canadian requirements is being peddled in Alberta. "Feeding Groups" of 3 gilts and a boar are being sold for \$800.00. The buyer signs a contract which seems to assure him a profitable market for the off spring of these pigs. In fact, it does not, and likely the pigs will have to go to market on the usual way.

This appears to be a case of another fast buck artist trying to take up the farm. If you are offered such a deal, remember that we have 3 proven breeds of bacon type pig in Alberta and you can buy the very best of these breeds for much less than is being asked for these unknown pigs.

ANOTHER WARNING. A product called "Multi-Mixer" oil sol. fertilizer is being sold in the province. This is another case of a product which is next to useless being sold at high prices. The Alberta Advisory Committee is against investing in this useless product.

With the product and "Palouse" pigs being peddled recently, it

MORE SPACE! SPUNK! SAVING!

NEW '61 CHEVY corvair

Corvair has an entirely new space, spunk and savings concept for '61. For a start, prices are lower on all Corvair Sedans and Coupes for '61. Then you get more miles to a gallon. Faster warm-up — no anti-freeze problems. See all the '61 Corvairs — and see them soon!

Corvair 700 4-Door Sedan. Couldn't be better for a budget — and wait'll you see the new space! Seats six passengers comfortably — including the folks in the middle because of Corvair's practically flat floor.

Laminated 500 4-Door Station Wagon. Brand new for '61 and the most spacious wagon for its size you've ever seen. Loads of room both fore and aft plus turn-on-a-dime handling. See both Laminated Station Wagons and the cargo-kings Greenbrier Sports Wagons.

GENERAL MOTORS VALUES

Corvair 700 Club Coupe. Drive it and feel the spartan refinement — the trail-tugging traction — of Corvair's quality non-engine design.

All told there are nine Chevy Corvairs for '61. And every model is just as thoroughly thrifty as Chevrolet can make it! But thrifty savings is only one of the Corvair benefits — there's the new spunk of the 140-cubic-inch air-cooled six cylinder engine — the proven performance of Corvair's rear-engine design — and the extra space that's built into the '61 models. See all of Corvair — right now at your Chevrolet dealer's.

GREEN ACRES

(Cont. from Page 6, Col. 5)

would appear that some sharp operators consider this to be open season of Alberta farm-

Calgary Power is more than dams, transmission lines, substations, machinery — Calgary Power is *people*. Through our touring family, the Browns, we have tried to show you some of these people and the facilities they use to provide plentiful, dependable electrical service. We could not possibly show them all because in order to give you the service you need, we have a team over 800 strong! Together, these 800 people make up our "Face of Service". Together, they are Calgary Power Ltd.

All of them, including General Manager A. W. Howard (who is showing Dianne Brown a map of our electrical system), are devoted to providing the *best possible* electrical service throughout 75,000 square miles of Alberta. And that means the best possible electrical service for you.

This goal, worked for unceasingly by all 800 members of our family, is our contribution to building a Better Alberta.

No. 10 in a series: Face of Service.

Looking at Recreation

by Michael Cornsley
Recreation Director

A LEADER AND LEADERSHIP: During the past month most of my spare time has been spent in the study of the philosophy of leadership. This is a very vital part of a three-year In-Service leadership course which I certainly hope will make me more qualified and better able to serve you as a Recreation Director in this community.

As a Recreation Director I am a leader and responsible to the people and the department of which I work for all activities a particular sphere of community life. You have your pastors of different denominations who lead men to God and are responsible for the spiritual welfare of their flock. You have a town engineer who will lead you through skillful community planning and be responsible for the geographical and the structural arrangement of this growing town. I am a leader of the community's leisure time activities. I must be that a maximum of people participate in the recreational and that a maximum of spiritual, mental and physical benefit is derived from this participation.

A leader of people in any field, a person must be dedicated to his people and to his work. The day cheques important as it may seem in this day and age is only secondary. A leader who works only for money is not a leader at all. A good leader gives his time and attention, first and foremost to the development of his people. He is that to-called human engineer who is instrumental in building a community program with administrative personnel, part-time workers, volunteers and board and committee members and making these people to enthusiastically about their work that they will motivate themselves and constantly increase their horizons. It must be realized that such a leader does not necessarily will of himself bottom but rather it trickles down from above. Moral is that stuff that gives drive to individuals as well as to collective action. High morale is the very index of good leadership. There can be no success without it, no failure has ever been complete until morale has been completely destroyed.

In this kind of work you must be fully aware of the fact that people believe in and are interested in something to the extent that they participate in it. In turn, participation in the planning is the foundation of good neighborhood and community relationship. One vitally important point that a leader must always keep in mind is that there can be no leadership without the consent of those being led.

This brings us back to face with the question, what is leadership? There are many definitions in dictionaries, in text books or in

recreation books. However, I like this one above all others: "Leadership is that inner perfecting of an individual to lead by example, influence, persuasion and inspiration, rather than by compulsion or domination".

Now with that kind of definition, let us discuss leadership. That kind of leadership means power—power with people, not power over them. That kind of leadership is known by the personalities it enriches, not by those it dominates. That kind of leadership does not stem from title, name, position, years of experience, desire, appearance or from any other superficial prestige. Rather it comes from a personal adjustment from within.

I suppose the greatest leader ever lived would be judged a failure by present day standards because he wrote no books and he left no estate. He had no trade union to defend him, no political party to support him, no professional society to encourage him. Yes, you know, and I know what he did with a dozen helpers all illiterate fishermen, and among them a double crosser.

He transformed the world in these twenty years. When the disciples started quarreling about rank, position, power and prestige, the leader, known to the world as Jesus of Nazareth, washed their feet. He did this to show that he had not come to control, to dominate, to command, to think of self first, or to rule with an iron hand. Rather he had come to lead, to instruct, to interpret, to influence, to inspire, to proclaim and to show the way to happiness and a good life.

So there you have it friend — in so many words — the principle of true leadership laid down for us a couple of thousand years ago along the dusty roads of Jericho. Any leader that follows these lines will not be a failure. Regardless of how he is judged by his fellow men.

BAND MEETING - GREAT SUCCESS: A meeting was held in the Athletic Association Room of the Town Hall on Tuesday Nov. 22, for the purpose of organizing a town band. Some fifteen people were in attendance and preliminary band organization was discussed.

In the "Minor" hockey sphere there is not much new except that a tentative date for the hockey coaches' school was set for Dec. 19. There will only be one session which will last throughout the afternoon and evening. Some instruction will be given in the Athletic Association.

There seems to be no shortage of band instruments as at least half a dozen different types were accounted for at the meeting. It would seem that the following instruments are available: 2 clarinets, 1 cornet, 1 euphonium, 3 trumpets, 3 bar-

itone horns, 2 saxophones and 1 Bass E.F. Now I think that all this is very encouraging and to desire more players, more instruments and more interest will come on to the scene as time goes on.

The next meeting is scheduled for Tuesday evening December 6, 1960. If you are interested in band formation in any way at all, please make a point of attending this meeting. Players and prospective players are needed as well as interested parties who would be willing to serve on the band executive as non-player members. Should you have any kind of a band instrument, regardless of type or condition, we would make it available to us to be very pleased if you would make it available to us; that if you do not play to us, or are not inclined to learn an instrument.

Don't forget the next band meeting at the Town Hall December 6th at 8:00 p.m. --- Everyone welcome---

ICE CHIPS: On Thursday night Nov. 24th an interested group assembled in the Athletic Association Room and formed an Intermediate Hockey Club to represent Drayton Valley in non-league action during the coming season. It was decided that the new club to be known as the Drayton Valley Rebels, would not enter any league competition this season. They will, however, play a series of exhibition games and enter into the Intermediate Provincial playdowns, likely at the "N" level.

Ken Machan was the person instrumental in calling the meeting and in creating interest in Intermediate hockey in the town. Andy Anderson will take over the reign as team manager while Ron Papp will serve as secretary-treasurer for the newly formed club. Bill Adams will coach the Rebels this season. Bill seems to think that the town is capable of fielding a real good intermediate hockey team, one that he hopes will not be on the losing side too often. Congratulations boys! and the best of luck throughout the coming season and particularly in the playdowns.

In the "Minor" hockey sphere there is not much new except that a tentative date for the hockey coaches' school was set for Dec. 19. There will only be one session which will last throughout the afternoon and evening. Some instruction will be given in the Athletic Association.

DO NOT FORGET!!!!
JACKPOT BINGO
Every Wed. night in the Elm Community Hall at 8:00 p.m.
Sponsored by O.O.P.P.

Room while some time will be spent out on the ice. The instructors will likely be "Red" Polle, coach of the Edmonton Flyers along with another member of his staff. All these interested in coaching local hockey teams at any level are cordially invited to sit in on this school. There is no charge and I can guarantee you that you will find this brief course both interesting and highly beneficial.

GREY CUP POOL WINNERS

The Grey Cup game brought modest riches to at least three Drayton Valley residents: those who had drawn the right numbers in the Grey Cup pool conducted by the D.V. Lions Club. Winners in the first quarter was Miss Doreen Torvinen bookkeeper for D.V. Motors who won \$160. The next two quarters were won by Stu Lunan, to the extent of \$300.00, and the final score was won by Victor Halwa in the amount of \$300.00.

LEGION LADIES' AUXILIARY NEWS

On May 30th, 1960, an Auxiliary to the Canadian Legion was formed here in Drayton Valley. Our activities the Past Six months have been many and varied. During July and August we catered to a Two Day Ball Tournament, Two Weddings and assisted the Legion with their socials.

The Auxiliary entered a float in the Lions Rodeo Parade and won First Prize in the Commercial Event, we were proud of this effort as there were many fine floats represented.

September and October brought an increase in Membership and many of us have purchased Bertha Shirs and Jackets in the Alberta Auxiliary Colors of Navy Blue and White.

We have offered financial assistance to the town for any improvements they have done on the H.P., Drapes and an Eighty cup Coffee Urn has been purchased also.

On November 11th we assisted our Legion Men with the Remembrance Day Activities. A Get-together was held in the Legion Hall during the afternoon, and the evening was enjoyed by everyone attending the Supper Dance - the Elks Hall.

We sponsored the sale of tickets for the Search for Talent along the Capital Children Fund, Twenty Five Dollars was given to the Auxiliary for their efforts in selling these tickets, the money was immediately turned over to the fund by the Auxiliary President, Mrs. Muriel Bates.

The Auxiliary intends to give scholarships to worthy students of any Veteran in the District, and to assist in worthwhile community projects, and to continue to be of assistance in any way to our Legion Men in their efforts to build a new life!

Any man or lady eligible to join the Canadian Legion and the Auxiliary will be cordially welcomed, we want and need members who are willing to work and build our Club, Phone 209 or 241 for further particulars regarding membership in the Legion and its Auxiliary.

Secretary: Lydia Auxiliary, Patricia Jenkins.

O.O.R.P. NEWS

November proved to be an interesting and active month, we had four applications for membership, our sick and visiting committee reported several cards and bouquets sent to ailing members.

Lady Hilma Rand was presented a Silver spoon for perfect attendance for the past year.

The Annual Turkey Bingo will be held at the Elks Hall on December 14th - Everyone is welcome.

Anyone wishing to dispose of good used clothing, please Phone 413. These articles will be dry cleaned and sent to U.N. L.S.E.P. at Ottawa, Ontario for distribution overseas. We would appreciate your cooperation in this matter.

On Tuesday, Nov. 22nd, the Ladies of the O.O.R.P., assisted the Elks with their installation of the Officers. At the completion of the ceremonies a social and dance was held, Mrs. E. Donnelly, pianist, Mr. Frank Janischewski, guitar, and Mr. Earl O'Brien, accordion, made the evening most enjoyable with renditions of Fox Toss, Polkas and Waltzes.

The O.O.R.P., Christmas Party will be held on December 6th, we hope to see all members out for the occasion.

That's all for this month. The O.O.R.P., News Reporter - Patricia Jenkins.

B.P.O. ELKS ANNUAL INSTALLATION OF OFFICERS

On Tuesday, November 22, at an impressive ceremony attended

by the Search for Talent along the Capital Children Fund, Twenty Five Dollars was given to the Auxiliary for their efforts in selling these tickets, the money was immediately turned over to the fund by the Auxiliary President, Mrs. Muriel Bates.

The Auxiliary intends to give scholarships to worthy students of any Veteran in the District, and to assist in worthwhile community projects, and to continue to be of assistance in any way to our Legion Men in their efforts to build a new life!

Chiropractic Centre Dr. William Burns

CHIROPRACTOR
(Licensed in the Province of Saskatchewan)
HOURS: Monday - New Friday 10 a.m. to 10 p.m. Tuesday and Wednesday 10 a.m. to 6 p.m. 1 p.m. to 6 p.m. (By Appointment if Possible)

DR. WILLIAM BURNS D.C.

His brother had also enrolled in the Palmer School of Chiropractic at a later date, and graduating in 1956, he went into business with William. The practice was developed so that Dr. William felt free to leave it in his brother's hands and come to Drayton Valley this year.

Dr. Burns married Miss Marjorie Hambrick of Calgary in August, 1958. Their son, Chuck, is now fifteen months old.

Dr. Burns is a member of the Alberta Chiropractic Assoc. and the International Chiropractic Assoc. He is a member of the local Curling Club.

POLICE COURT

On Tuesday, No. 29th in Drayton Valley Police Court 2 were charged under Town By-laws for speeding. One received a fine of \$10.00 and the other drew a fine of \$30. Under the Liquor Act, section 76, 3 were brought into court, for illegal consumption of liquor with two receiving fines of \$10. each and the third a fine of \$15.00 drew a fine of \$35.00. Another, for conveying liquor in a vehicle, was fined \$25.00.

On a case appearing in court was waived to Story Plain and two cases appeared under the Criminal Code of Canada and were put over till next week's court.

In the R.C.M.P. court docked in Magistrate Hancock's court a week ago, one man was fined \$100.00 for smoking on a highway. This week saw six in court for traffic violations involving speeding, with fines of \$10. and \$15. being assessed by the Magistrate.

CELEBRATING IN DRAYTON VALLEY

On December 10th, in Drayton Valley Elementary School Auditorium, Al Oeming will present his famous two hour film, in full color with the actual voices of the animals recorded. The film is a class in itself. It has been shown on World Adventure Town, which indicates the calibre of the film when one considers that they have the pick of the world's films to draw from.

With Mr. Oeming will be the famous cheetah, "Tawana". Tawana will be on stage with Mr. Oeming. Mr. Oeming is director of the Alberta Game Farm, just east of Edmonton. He is rated as one of the country's top naturalists. He is interested in the preservation of the wildlife of this country, and is also conducting experiments in bringing on a warmer climate to this country. He has found that animals from

warmer climates adapt themselves to the climate unexpectedly well.

Two very interesting films in the film "In the Land of the Black Bear" is a scene of the black bear killing an elk, and the filming of a moose with an unusually wide spread of horns.

Two shows will be put on to accommodate the crowd which, every place it has been shown, has been at capacity or more than capacity. The first show will be at 8:45 and the second at 9:00 p.m. Tickets will be sold at the door.

Lions Sponsor Foster Child

Drayton Valley Lions Club has taken on the sponsorship of a Foster Child, under the Foster Parents Plan. The sponsorship will be carried on through the aid of the Lions Club in Vienna, Austria. A letter from the Club in Vienna is enclosed:

Dear Fellow-Lions:
The biggest European SOS-children's Village is right next to our little town Malling, by Vienna. This SOS-children's Village was created by Hermann Gieseler at a time of great need in order to be able to establish new families for the innumerable refugee children pouring in during the Hungarian revolution.

We are proud that this village is in a way under our protection. There are 250 children here, 100 throughout Austria. far too big a number to be supported by Austrian Lions alone. Therefore I am appealing to all Lions Clubs for help...

If your club would undertake the sponsorship on one of these children, and if other Clubs would join you, the future of this Village, which judges children from

Mr. and Mrs. Howard Ganshe - \$5.00
Mr. and Mrs. Carl Ganshe - \$5.00
Mr. and Mrs. Allan Ganshe - \$5.
Mr. and Mrs. Larry Vicky - \$5.
Mr. and Mrs. Sid Ross - amount unknown.

THE ARMED FORCES of West Germany now total 276,000 men - 173,000 in the army, 64,000 in the air force, 14,000 in the navy and 14,000 in territorial defence and central military organizations.

THE FEDERAL government this year is spending \$40,000,000 in civil defence preparations against nuclear war, the director of the Emergency Measures Organization, R. Byrnes Curry, said last week.

REPORT FROM PARLIAMENT HILL

By Hugh M. Homer, M.D., M.P.,
House of Commons Canada

OTTAWA: The Government today announced plans for providing acreage payments to western farmers who missed out on earlier payments because they did not hold 1958 Wheat Board permits, even though they actually grew grain that year.

Agriculture Minister Alvin Hamilton told the House of Commons that because of climatic conditions, many grain producers did not bother to take out permits.

He explained that in order to allow these growers to share in the acreage payment program, they will now be eligible provided they held Wheat Board permits for the crops harvested in 1958 and in 1959 and were producers in 1959.

An Order in Council August 31 this year authorized payment of \$1. per acre to a maximum of 200 acres to holders of permits for the 1959-60 crop year, which is in line of a two-price system which is the equivalent of \$1. a bushel for grain consumed domestically by humans.

The use of the 1959-60 permits, Mr. Hamilton said, allowed payments to be made much earlier than if the 1960-61 permits had been used. Payments were started September 12 and cheques were issued against eligible permits by October 7.

Value of cheques issued to date is about \$40,070,000.

To qualify under the amendment producers will be required to complete an affidavit giving details of their operations. Application will be mailed out shortly and they must be returned to the Canadian Wheat Board, as agent of the Minister of Agriculture, by February 28, 1961.

There were 234,717 permits

A Message From "Your Pharmacist"

THE GIFT OF GOOD HEALTH

It is now possible to live a longer and healthier life. This priceless gift may be yours if you ask your physician to help you attain it.

RESEARCH DISCOVERS NEW DRUGS

Scientists and pharmaceutical chemists are perfecting new diagnostic techniques, improved treatments and even man-made new chemicals that can cure or relieve many diseases formerly considered almost hopeless.

GIVE YOURSELF A CHRISTMAS GIFT

Ask your physician for a complete body check-up. The odds are he will find nothing seriously wrong and what a glorious feeling will be yours when you hear such good news. But... if there is some condition needing correction, follow his advice about diet or any needed medication. Even an incurable disease and we have so few -- can be comfortably lived with if the diagnosis is early.

DEPEND ON OUR CO-OPERATION

We have more than 4000 different medicines and health-aids in our prescription laboratory. Each one is properly stored to insure maximum potency and classified for immediate availability.

HIGH SCHOOL D.V.A.A. AMATEUR NIGHT NEWS

The Third Annual Amateur Night two-night show put on by the Drayton Valley High School Students Union was a slightly successful affair, as were those staged on the two preceding years. A lot of work on the part of the student body and teachers had gone into preparing the big program for the shows which were presented on Thursday, December 1st and Friday, December 2nd.

Staged in the large and fine new auditorium at Frank Maddock High School almost capacity crowds were registered on both nights. Master of Ceremonies for both shows was Howie Jensen, Jr.

On the program for the Thursday night show, were the following: Edward Summers - singing - "Just a Closer Walk With Thee" Elaine Hoff - singing "How Far Is Heaven"; Ruffus and Lona Mai Combs singing "Johnny Be Good" Beatrice Delleway - singing - "You Talk Too Much"; Janet Huzar, Christina Hines, Alice Dion, Phillip Kennedy, Jean Noody and Jody Tojensen - singing - "You Don't Know"; Roberta Ellis - singing - "Seven Little Girls"; Elda Langer - Daphne Summers - Accordion Duet - "Forever and Ever"; Gordon Pickup singing - "That's an Irish Lullaby"; Grade Eight Play - Mrs. Gunning's Room - "The Saloon"; Gladys Creilly, Lois Kaerwin singing - "Santa Claus Is Coming to Town"; Audrey Gerzinger, Marlene Bouchard, Roy Ocar, Evelyn Kynock, singing - "Pick Me Up On Your Way Down"; Terry McManus - singing - "Goodbye Jimmy, Goodbye"; Donna Jenkins, Marilyn Boler - Piano Duet - "Five Foot Two"; Fern Combs, Florence Elliot, Gail Roebuck - singing - "A Mansion Over the Hill"; Grade Eight Play - Mr. Cymbaluk's Room - "Champion Football"; Marilyn Havel, Edna Starling, Julie Willner, Ricky Lewis - singing "Lipstick on Your Collar"; Gerald Mohr and Dwayne Swenfeld - duet - Gail Havel - Piano Com' on page 4 col. 4

Warburg Church to Hold Service

REVEREND ERIC JOSEPHSON

Reverend Eric Josephson, pastor of the Warburg Mission Covenant Church for the past 3-1/2 years will head a group of Christian women who will hold a service in Scout Hall, Drayton Valley, the evening of December 11th.

Mr. Josephson will be accompanied by the "Brotherhood" group from Malmo Covenant Church. This group is composed of about a dozen men who will present duets, quartets and other types of gospel singing.

Rev. Josephson is a graduate of Covenant Bible Institute, in Wilkes Albert, Sask., with Com' on page 4 col. 4

The regular meeting of the Drayton Valley Athletic Association was held December 1, 1960, in the Recreation Room of the Town Hall.

There were nine members and four visitors present.

The meeting was opened with President Jack Falls in the chair and the minutes of the previous meeting were read. Ken MacInnis moved that the minutes be accepted as read, seconded by Chuck Dion. Carried.

Treasurer's Report:

The Treasurer reported a Bank Balance of \$698.04 in the General Account and \$583.50 in the Football Account.

Cle Olson made a motion that the bills be paid, seconded by A. Anderson. Carried.

FOOTBALL:

Harold Townsend reported that December 7th had been set as the date for the Football Banquet to be held in the Pan American Safety Hall. All the players are to be contacted by their coaches and informed of the date and time which will be at 7:30 p.m. Roger Nelson of the Edmonton Eskimos is to be in attendance to speak to the boys and show some

MR. EDWARD HINES

District old-timer Edward Hines was born in Jamaica Plain, just outside of Boston, Massachusetts. He graduated from O'Brien Public School there. He apprenticed to the printer - trade in Boston after getting out of school. Late in the year, 1918, he headed the call of adventure and went north to Montreal and where he joined the Canadian Army, signing up with the famous Black Watch Regiment, the 42nd. Battalion, 3rd. Division, as a gunner. He saw almost two years of army service in France and Belgium. He was in the historic World War I war-torn city of Mons when the war ended on November 11th, 1918. According to Mr. Hines they had been fighting all night, the night of the 10th, at the front lines, just outside of Mons, and the signing of the Armistice came as quite a surprise to the boys in the army. It was an even bigger surprise to the Belgian citizens of Mons, who went to bed on the night of the 10th with the Germans in possession of the town of Mons and awakened on the 11th with Canadian and British troops parading down the centuries - old streets. Ed tells of the excitement of the good burghers as they threw back the shutters on their windows in joy over the Allied troops in the streets, replacing the Germans.

Many are the tales that Ed. can tell about early days in this area when they would walk the entire distance from home to the railroad at Riverview. In a recent talk to the Lions Club at their regular dinner meeting Mr. Hines told how it would take them from ten to twelve hours to make the trip on foot to Riverview, if they went right through, but there was a stopping house in the present Moon Lake district, and oftentimes they would stop overnight there and then go on to the village of Riverview the next morning.

With the start of the oil boom here Ed. worked as right-of-way foreman for Flint & Co. for three and a half years, and then worked for Waddell Bros. for about a year and a half. After that he quit working out regularly to put his farm into shape, building a new house and improving the place generally.

Mr. Hines married Miss Daisy Bray of Rocky Rapids in 1929. Miss Bray's father was the first settler in this district, settling at Rocky Rapids about 1868. Mr. Hines was in the Saskatchewan and Brasserie rivers
